

Welcome

We hope you will relax and feel at home with us. Although the songs we sing may be unfamiliar to you, please participate as you feel comfortable. If you need to talk to someone about a spiritual need, please speak to one of our pastors.

Please do not feel obligated to participate in the giving time. However, if you choose to give an offering, thank you for your help in furthering God's work through this church. Giving envelopes are available in the back of the red registration pads.

Thank you for joining us and God bless!

ReThink Our Impact - RECYCLE CAPS

In partnership with Aveda, schools, churches, and other organizations across the nation, we have collected more than 270,000 pounds of rigid plastic caps. That's an estimated 30 million caps that were prevented from entering our waterways and landfills. Based on the success of the program, Aveda has launched a new cap for some products that uses resin from the recycled caps and these new caps are 100% recycled. We are making a difference in our world!
