This is a simple directory, not a referral service. ***New Horizon United Methodist Church and its agents*** do not verify the licenses or credentials of anyone listed. Certain businesses or professions are subject to regulation by various governmental authorities which require special approvals or the issuing of a license to do business. Therefore, please use the Directory as you would a common telephone book to locate businesses in your community. Once you locate a business, please investigate their background to verify that they are experienced and qualified for their respective product or service. This may include but not limited to, contacting your local business review organizations, governmental licensing boards, authorities, etc.

The listing of a business in this Directory does not constitute an endorsement or recommendation of any kind in respect of goods or services listed within the directory. ***New Horizon United Methodist Church and its agents*** do not make any representation of any kind about the quality or fitness for purpose of the goods or services of any person listing in the Directory, nor that such a person has the necessary skill to render the goods or services listed nor that they will render any foods or services with due skill, care and diligence.

This directory was developed with reasonable care to produce it as accurately as possible. ***New Horizon United Methodist Church and its leadership, officers and staff***, fully disclaim and assume no responsibility of liability for loss or damage of any kind with respect to the Directory whether resulting from negligence, accident or any other cause.

The information comprised in the Directory was supplied by the respective business owners. Neither ***New Horizon United Methodist Church, nor its agents*** are responsible for such listing with respect to their accuracy or completeness.

Acknowledgements

We extend thanks to all of our member business owners, business staff, contractors and independent consultants who have listed their services and products in the directory.
